- (a) limited to the allotment of equity securities up to a nominal amount of £15,490,916; and
- (b) used only for the purposes of financing (or refinancing, if the authority is to be used within 12 months after the original transaction) a transaction which the Directors determine to be an acquisition or other capital investment of a kind contemplated by the Pre-Emption Group's Statement of Principles most recently published by the Pre-Emption Group prior to the date of this Notice,

The Company may, before this authority expires, make an offer or enter into an agreement which would or might require equity securities to be allotted after such expiry and the Directors may allot equity securities in pursuance of that offer or agreement as if the power conferred by this resolution had not expired.

such authority to expire at the conclusion of the Annual General Meeting of the Company to be held in 2026 or at the close of business on 3 September 2026, whichever is sooner (unless previously renewed, varied or revoked by the Company at a General Meeting). 21. That the Company be and is hereby unconditionally and generally authorised to make market purchases (as defined in section 693 of the Act) of Ordinary Shares of 25 pence each in the capital of the Company ('**Ordinary Shares**') on such terms and in such manner as the Directors may determine provided that:
- (a) the maximum aggregate number of Ordinary Shares which may be purchased is 61,963,666 representing approximately 10% of the issued share capital of the Company as at 8 May 2025 (being the latest practicable date prior to the publications of this document);

Explanatory Notes

Resolutions 1 – 17 (inclusive), are proposed as ordinary resolutions. For each of these to be passed, more than half of the votes cast must be in favour of the relevant resolution. Resolutions 18 to 22 inclusive are proposed as special resolutions. For each of these to be passed, at least three quarters of the votes cast must be in favour of the resolution.

An explanation of each of the resolutions is set out below:

Resolution 1 – Annual Report and Accounts

The Directors are required to present to the Annual General Meeting the audited accounts and the Directors' and Auditors' Reports for the financial year ended 31 December 2024 (the '**2024 Annual Report**'). The 2024 Annual Report can be found on our website www.s4capital.com.

Resolution 2 – Directors' Remuneration Report

In accordance with section 439 of the Companies Act 2006 (the '**Act**'), shareowners are requested to approve the Directors' Remuneration Report. The Directors' Remuneration Report is set out on pages 91 to 100 of the 2024 Annual Report. The vote on Resolution 2 is advisory and the Directors' entitlement to remuneration is not conditional on it.

Resolution 3 – Directors' Remuneration Policy

Shareowners are requested to approve the Directors' Remuneration Policy as set out on pages 84 to 91 of the 2024 Annual Report. The Directors' Remuneration Policy must be approved by shareowners (by a separate resolution) at least once every three years. The current Directors' Remuneration Policy was approved by shareowners at the Annual General Meeting of the Company held on 14 June 2022 and is due for renewal. The main changes proposed to the Remuneration Policy are (i) an increase in the maximum bonus opportunity under the Annual Bonus Scheme to 150% of basic salary, (ii) the deferral of any bonus in excess of 100% of salary into shares for two years if the shareholding requirements are not met; (iii) In relation to the Employee Share Ownership Plan, the clarification that awards of up to 250% of basic salary can be granted in exceptional circumstances, with the normal limit being 200%. The new Policy also clarifies that these limits apply to performance share awards, with a similar fair value applied if other kinds of awards are granted; and (iii) minor changes to Remuneration Policy wording including the removal of the statement that basic salaries are typically set at below-market rates, and new wording on malus and clawback to comply with the provisions of the 2024 UK Corporate Governance Code. Further details of these changes, and other minor changes to the Remuneration Policy, are set out on page 84 of the 2024 Annual Report. If approved by shareowners, the proposed Remuneration Policy will take effect immediately upon conclusion of the Annual General Meeting.

Resolution 4 – Dividend

The Directors are declaring a final dividend of 1 pence per share, payable on 10 July to all shareowners on the register on the register as at 6 June 2025. The final dividend will not be paid without shareowner approval and the amount may not exceed the amount recommended by the Directors.

Resolutions 5 to 14 – Election and Re-election of Directors

In accordance to the UK Corporate Governance Code and the Company's articles of association, which provide for all directors to be subject to annual election or re-election by shareowners, all Directors are standing for re-election at this year's AGM, with the exception of Radhika Radhakrishnan and Nirvik Singh, who were appointed during the year, and who are subject to election by shareowners.

The Directors believe that the Board offers an appropriate balance of knowledge and skills and that all of the Non-Executive Directors are independent in character and judgment. The Nomination and Remuneration Committee, which considers the balance of the Board and the mix of skills, knowledge and experience of its members, has considered and recommends to the Board the appointment of all of the Directors of the Company standing for election or re-election. The Senior Independent Director confirms that the Non-Executive Directors continue to demonstrate effective performance and commitment to the role and have sufficient time to meet their responsibilities.

Biographical details of each of the Directors standing for election or re-election are set out pages 11 to 15.

Resolutions 15 and 16 – Auditors

The Company is required at each general meeting at which the Company's Annual Report and Accounts for the previous financial year are presented to appoint auditors to hold office until the next such meeting. The Board, on the recommendation of the Audit and Risk Committee, recommends the re-appointment of PricewaterhouseCoopers LLP ('PwC') as auditors to the Company and, accordingly, Resolution 14 proposes such re-appointment.

Resolution 16 authorises the Audit and Risk Committee, for and on behalf of the Board, to fix the remuneration of the auditors.

Resolution 17 – Directors' General Authority to Allot Shares

Resolution 17 is proposed to renew the Directors' power to allot shares. Resolution 17(a) seeks to grant the Directors authority to allot, pursuant to section 551 of the Act, shares and grant rights to subscribe for or to convert any security into shares in the Company up to a maximum nominal amount of £51,636,388. This amount represents one third of the Company's issued Ordinary Share capital as at 8 May 2025 (being the latest practicable date prior to the publication of this Notice).

In accordance with latest The Investment Association's Share Capital Management Guidelines, Resolution 17(b) seeks to grant the Directors authority to allot Ordinary Shares in connection with a fully pre-emptive offer in favour of ordinary shareowners up to an aggregate nominal value of £51,636,388 (representing 206,545,522 Ordinary Shares).

This amount represents one third of the Company's issued Ordinary Share capital as at 8 May 2025 (being the latest practicable date prior to the publication of this Notice).

The authorities sought under paragraphs (a) and (b) of this resolution will expire at the conclusion of the Annual General Meeting of the Company to be held in 2026, or at 6.00 pm on 3 September 2026, whichever is sooner. The Directors do not have any present intention to exercise this authority, however they consider it appropriate to maintain the flexibility that this authority provides and therefore the Directors are again seeking to renew this authority.

The Company currently holds 6,000,000 shares in treasury. If these shares, or any others purchased in the market are subsequently sold, that sale would be counted as equivalent to the issue of new shares for the purpose of the limitations on the issue of new shares included in Resolution 17.

Resolutions 18, 19 and 20 – Disapplication of Pre-emption Rights

Resolutions 18, 19 and 20 seek to approve the disapplication of pre-emption rights. The passing of these resolutions would allow the Directors to allot shares for cash and/or sell treasury shares without first having to offer such shares to existing shareowners in proportion to their existing holdings.

The authority under Resolution 16 would be limited to:

- (a) allotments or sales in connection with pre-emptive offers and offers to holders of other equity securities if required by the rights of those shares or as the Board considers necessary; and
- (b) allotments or sales (otherwise than pursuant to (a) above) up to an aggregate nominal amount of £15,490,916 which represents approximately 10% of the Company's issued Ordinary Share capital as at 8 May 2025 (being the latest practicable date prior to the publication of this Notice).

Resolution 19 would give the Directors authority to allot a further 10% of the issued Ordinary Share capital of the Company as at 8 May 2025 (being the latest practicable date prior to the publication of this Notice) for the purposes of financing a transaction which the Directors determine to be an acquisition or other capital investment contemplated by the Pre-Emption Group's Statement of Principles most recently published by the Pre-Emption Group prior to the date of this Notice (the '**Statement of Principles**').

The disapplication authorities under Resolutions 18 and 19 are in line with guidance set out in the Statement of Principles. The Statement of Principles allows a board to allot shares for cash otherwise than in connection with a pre-emptive offer (i) up to 10% of a company's issued share capital for use on an unrestricted basis and (ii) up to a further 10% of a company's issued share capital for use in connection with an acquisition or specified capital investment announced either contemporaneously with the issue, or which has taken place in the preceding twelve month period and is disclosed in the announcement of the issue.

Explanation of Notes continued

Resolution 20 would give the Directors authority to allot up to 15% of the issued Ordinary Share capital of the Company as at 8 May 2025 (being the latest practicable date prior to the publication of this Notice) to ordinary shareowners whose jurisdiction of residence may make them ineligible to participate in a general pre-emptive offer to shareowners. As the Company already seeks this additional authority annually, the Board has chosen not to seek authority under Resolutions 18 and 19 in relation to 'follow-on' offers, as permitted by the Statement of Principles.

The Directors have undertaken to use this authority only in order to make private placement offerings of the Company's Ordinary Shares to existing ordinary shareowners who have been excluded from a general pre-emptive offer of Ordinary Shares because of their jurisdiction of residence.

The Company has a broad global shareowner base and, as such, the Directors consider that the authority being sought under Resolution 20 will enable the Company to treat shareowners equitably in future issues of Ordinary Shares that are intended to take place on an entirely or partly pre-emptive basis.

The authorities contained in Resolutions 18, 19 and 20 will expire at the conclusion of the Annual General Meeting of the Company to be held in 2026 or at the close of business on 3 September 2026, whichever is sooner.

Resolution 21 – Authority to purchase of own shares

Resolution 21 seeks to approve the purchase by the Company of its own Ordinary Shares in the market, as permitted by the Act. The authority limits the number of shares that could be purchased to a maximum of 61,963,666 Ordinary Shares (equivalent to 10% of the Company's issued Ordinary Share capital as at 8 May 2025 (being the latest practicable date prior to the publication of this Notice)) and sets a minimum and maximum price. The authority will expire at the conclusion of the Annual General Meeting of the Company to be held in 2026 or at the close of business on 3 September 2026, whichever is sooner.

The Directors believe that it is desirable to have the general authority to buy back the Company's Ordinary Shares in order to provide maximum flexibility in the management of the Group's capital resources. The Directors will exercise this authority only when to do so would be in the best interests of the Company and of its shareowners generally, and could be expected to result in an increase in earnings per share of the Company. Any purchases of Ordinary Shares would be by means of market purchase through the London Stock Exchange.

Any shares the Company buys under this authority may either be cancelled or held in treasury. Treasury shares can be re-sold for cash, cancelled or used for the purposes of employee share schemes. No dividends are paid on shares whilst held in treasury and no voting rights attach to treasury shares. The Directors believe that it is desirable for the Company to have this choice as holding the purchased shares as treasury shares would give the Company the ability to re-sell or transfer them in the future and so provide the Company with additional flexibility in the management of its capital base.

Resolution 22 – Notice period for General Meetings, other than an Annual General Meeting

Resolution 22 seeks to approve the calling of General Meetings of the Company (other than an Annual General Meeting) on 14 clear days' notice. The minimum notice period required by the Act for General Meetings of the Company is 21 clear days unless (i) shareowners agree to a shorter notice period and (ii) the Company has met the requirements for electronic voting under the Companies (Shareholders' Rights) Regulations 2009. Annual General Meetings must always be held on at least 21 clear days' notice.

The Directors confirm that the shorter notice period would not be used as a matter of routine, but only where flexibility is merited by the business of the meeting, the proposals are time-sensitive and it is thought to be to the advantage of shareowners as a whole. The approval will be effective until the Company's next Annual General Meeting, when it is intended that a similar resolution will be proposed.

Eligibility to attend and vote at the AGM

1. Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001 (as amended) and section 360B(2) of the Act, only those shareowners registered in the register of members of the Company at 12.00 noon on 4 June 2025 (or, in the event of any adjournment, at 48 hours (excluding any non-business days) prior to the adjourned meeting) shall be entitled to attend and vote at the Annual General Meeting (the 'AGM'). Changes to the register of members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the AGM.

Appointment of proxies

2. If you are a member who is entitled to attend and vote at the AGM, you are entitled to appoint a proxy to exercise all or any of your rights to attend, speak and vote on your behalf at the AGM. A form of proxy, which may be used to make such appointment and to give proxy instructions, accompanies this Notice.
3. If you are not a member of the Company but have been nominated by a member of the Company to enjoy information rights, you do not have a right to appoint a proxy under the procedures set out in this 'Appointment of proxies' section. Please read the section 'Nominated Persons' below.
4. A proxy does not need to be a member of the Company. You may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares held by you. To appoint more than one proxy, additional forms of proxy may be obtained from Share Registrars Limited or the Company Secretary. Please indicate in the box next to the proxy holder's name, the number of shares in relation to which he, she or they is or are authorised to act as your proxy (which, in aggregate, should not exceed the number of shares held by you). All forms must be signed and should be returned together in the same envelope. If you do not have a form of proxy and believe that you should have one, you may request one from Share Registrars Limited or the Company Secretary.
5. Shareowners can:
 - (a) appoint a proxy and give proxy instructions by returning the form of proxy enclosed with this Notice by post (see notes 7 and 8 below);
 - (b) register their proxy appointment electronically (see note 9 below); or
 - (c) if they hold shares in CREST, register their proxy appointment by utilising the CREST electronic proxy appointment service (see notes 10 to 13 (inclusive) below).
6. The return of a completed form of proxy, other such instrument or any CREST Proxy Instruction (as described in note 11 below) will not prevent a shareowner attending the AGM in person or electronically and voting in person or electronically if he/she/they wish or wishes to do so.

Appointment of proxies by post

7. To be valid any form of proxy or other instrument appointing a proxy must be received by post or (during normal business hours only) by hand at Share Registrars Limited at 3 The Millennium Centre, Crosby Way, Farnham, Surrey, GU9 7XX no later than 12.00 noon on 2 June 2025.
8. In the case of a shareowner which is a corporation, the form of proxy must be executed by a duly authorised person or under its common seal. The power of attorney or authority (if any) should be returned with the form of proxy.

Appointment of proxies electronically

9. Shareowners may appoint a proxy online at www.shareregistrars.uk.com, click on the 'Proxy Vote' button and then follow the on-screen instructions. To be valid, your proxy appointment and instructions should reach Share Registrars Limited no later than 12.00 noon on 2 June 2025.

Appointment of proxies through CREST

10. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members and those CREST members who have appointed a service providers should refer to their CREST sponsor or voting service providers, who will be able to take the appropriate action on their behalf.
11. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a '**CREST Proxy Instruction**') must be properly authenticated in accordance with Euroclear UK & International Limited's specifications and must contain the information required for such instruction, as described in the CREST Manual (www.euroclear.com/CREST). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's agent, Share Registrars Limited (ID 7RA36), by 12.00 noon on 2 June 2025. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
12. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that his, her or their CREST sponsor or voting service providers take) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
13. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 (as amended).

Appointment of proxies by joint holders

14. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).

Changing proxy instructions

15. Shareowners may change proxy instructions by submitting a new proxy appointment using the methods set out above. Please note that the cut-off time for proxy appointments (see above) also applies in relation to amended instructions. Any amended proxy appointment received after the relevant cut-off time will be disregarded.

Nominated Persons

21. Any person to whom this Notice is sent who is a person nominated under section 146 of the Act to enjoy information rights (a **'Nominated Person'**) may, under an agreement between him/her/them and the shareowner by he/she/they were or was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. Right to ask questions

23. Under section 319A of the Act, any member attending the AGM has the right to ask questions at the AGM relating to the business of the AGM. 24. Please keep your questions and statements short and relevant to the business of the AGM to allow everyone who wishes to speak the chance to do so. It would be helpful if you could state your name before you ask your question. The Chairman may nominate a representative to answer a specific question after the AGM or refer the question to the Company's website.

27. The Company may not require the shareowners requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company's auditors not later than the time when it makes the statement available on the website.
